Green Activities

Montmorency Food Swap

*Sun 3rd June,
10:00—11:30*

*Montmorency Primary
School*

*Bring your home grown
produce to swap, or just
come and chat*

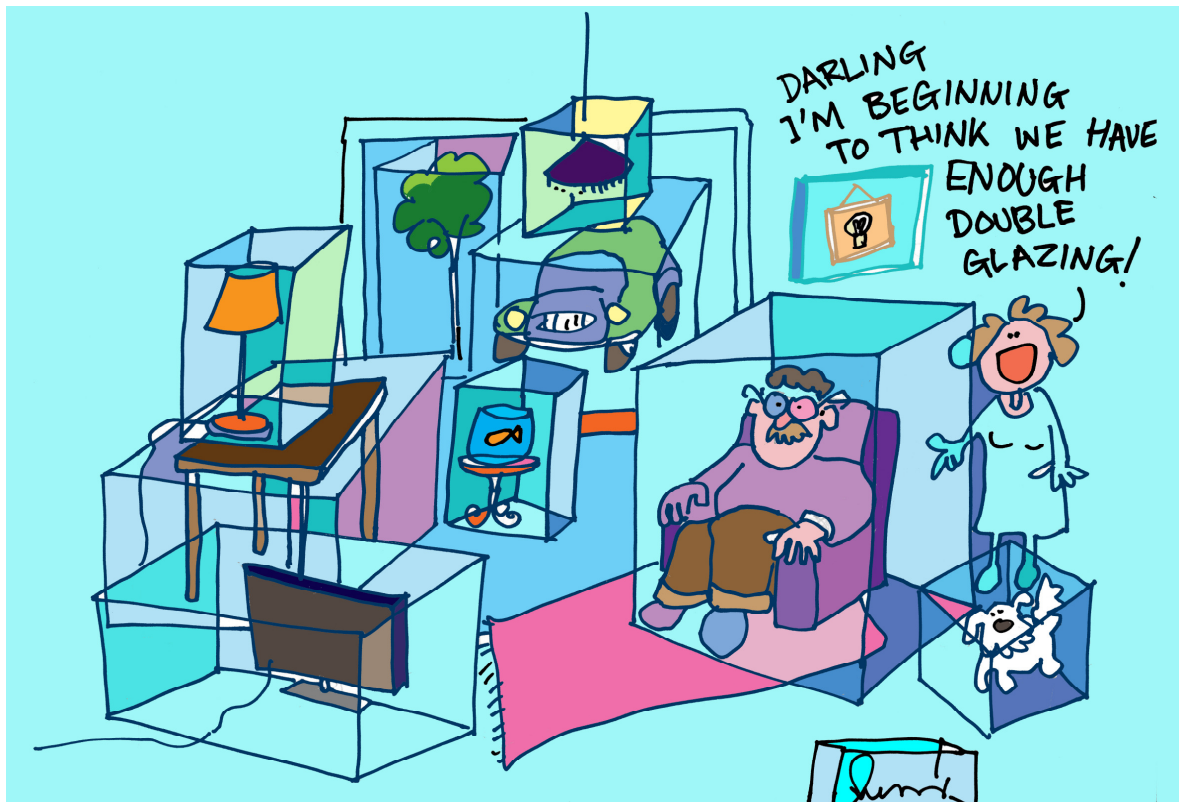

Over the next 4 weeks, there are 4 different projects that I am involved in which you may wish to participate.

Sat 2nd June—World Environment day— Its all About You. Rod Quantock will be talking in Eltham. Myself and 10 others will be available to talk about how you can reduce your carbon footprint. Attendance is free (see page 2 for details)

Wed 6th June—ATA talk on energy monitoring. Approx 6 ATA members (including myself) will talk in Southbank about home made temperature and energy monitoring systems (see page 2 for details)

Sun 17th June—Home Energy Assessment. Run by the Montmorency Community Group, I will be running a small group explaining how to do your own Home Energy Audit(see page 2 for details)

Mon 25th June—CSIRO Home Energy Assessment. Held in Ringwood, this is a free program over 5 months to help reduce your energy costs. (see page 2 for details)

Franciscus Henri's contribution— I think my wife has been complaining!

Green Activities

World Environment Day—Its all About You

Are you concerned for the environment but confused about how you can make a meaningful difference? Join us to hear about ten easy things you can do today to reduce your carbon footprint and improve your lifestyle.

Date: Saturday 2 June
Time: 10am-11.30am
Cost: Free
Venue: Edendale, Gastons Road,
Eltham (Melway 22 A1)
Bookings: Environment and Strategic
Planning Administration
on 9433 3316

ATA Meeting—Temperature & Energy Monitoring

Several ATA members, including myself, will talk about their home made energy and temperature monitoring systems.

If you are interested in electronics or micro computers this will be interesting.

Date: Wednesday 6 June
Time: 6 pm
Cost: Free
Venue: City
More info: alan@diydoubleglaze.com.au

Home Energy Assessment

The Montmorency Community Group has organised me to do a Home Energy Assessment for one of its members. You are welcome to join us to learn some of the basics of making your home more energy efficient and sharing your ideas with others.

Date: Sunday 17th June
Time: 2 pm
Cost: Gold Coin
Venue: Montmorency
More info: alan@diydoubleglaze.com.au

CSIRO EnergySavers

This is a series of 5 sessions held over 5 months. It is an informal session where I present information developed by the CSIRO followed by general discussion around reducing energy costs. While it is targeted at saving money, much of it involves reducing your energy usage.

Date: Monday 25th June
Time: 10 am
Cost: Free
Venue: Ringwood
More info:
